

Location

Revere is incredibly easy to reach - just three miles from Logan International Airport and less than five miles from the heart of Boston's financial district and downtown. It is readily accessible by automobile from Routes 1 and 95 north.

Revere features three Blue Line rapid transit stations which provide direct access to the airport (less than 10 minutes) and to downtown Boston (less than 15 minutes). The Blue Line is one of four interconnected subway lines serving Greater Boston, operated by the Massachusetts Bay Transportation Authority (MBTA).

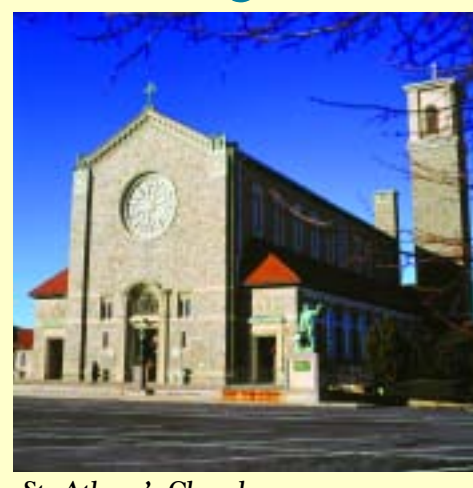

A Vibrant Community

The city named in honor of the great American patriot and master craftsman, Paul Revere, consists of more than an outstanding location, a magnificent beach and a multitude of activities. Revere is first and foremost a community in the very best sense of the word. Our city is comprised of strong neighborhoods where a diverse population lives, worships and plays. Our shopping centers feature the latest consumer products; yet organizations such as the Revere Society for Cultural and Historical Preservation work tirelessly to preserve the vestiges of our rich and highly unique past.

Our neighborhoods contain fine parks, committed volunteer groups and stable homes maintained by working families. Our people have a strong sense of community and are quick to welcome visitors as though long-time friends. We take pride in our past even as we look forward to a better tomorrow. We invite you to come and stay a while; we know you won't be disappointed.
